

## NEW PRODUCT RELEASE!

### PRODUCT: A\*B Pro Aluminum Free Float Hand Guard M-LOK 10", 13" and 15"

#### PRODUCT CODE: ABAAH10, ABAAH13, ABAAH15

The A\*B Arms M-LOK Free Float Aluminum Hand Guard for AR-15 rifles are designed to be slim and light.

- Made in the USA from American sourced 6061 T6 extruded aluminum
- Hand guards are hard coat anodized in accordance with MIL-A-8625 Type III Class II
- An overall width of 1.5"
- Weight of only 10 oz. for the 15" model
- A 1.3" I.D. will accommodate most low-profile gas blocks
- M-LOK slots to add accessories
- Anti-rotation ears that are integral to the MIL-SPEC 1913 picatinny rail ensure a clean fit with either forged or billet upper receivers
- Every hand guard comes with an integrated QD mount and a 2" 4140 heat-treated steel barrel nut that has been black nitride coated
- All mounting hardware is included
