**Description:** The Ballistipax Survivor-1 concealed tactical backpack is designed, constructed, and patented to provide consistently reliable, rapid, single-handed, ambidextrous, deployment of concealed ballistic armor. Survivor-1 can be configured for purely defensive and/or offensive configurations based on the needs of the user. Survivor-1 is the only product of its kind in the world designed to meet the diverse needs of the armed professional community while also offering discrete ballistic protection for civilians.

**BALLISTIPAX**

EVER VIGILANT. ALWAYS PREPARED.
