The Micro Trauma Kit NOW! - NANO is the smallest of the BFG MED medical kits. This mini trauma pouch holds the essential medical gear intended to stop the number one cause of traumatic death: bleeding! A true EDC first aid pouch that can easily be stowed in a pocket, briefcase, backpack, car door pocket, medical pack or any similar sized space.

At home, at work, on the range or in the woods the ESSENTIALS kit has just what you need to address the #1 cause of traumatic death - BLEEDING. All the essentials you need without the bulk or weight of unnecessary First Aid filler items. A true trauma kit for those who know the difference.
