ABOUT

The Firefield Siege 8x32 Monocular gets you up close and personal with 8X magnification and a 32mm objective lens perfect for mid-range glassing, even when dusk sets in. With IP55 water resistant protection and a rubber armored body, the Siege is ready for outdoor action no matter how tough the adventure. This BAK4, roof prism Firefield Siege 8x32 Monocular is compact enough to fit easily in a cargo pocket or backpack but delivers big on performance with advanced, fully multi-coated glass, a twist-up eyecup, an internal focusing lens and a field of view of 393 ft. at 1,000 yards. The Firefield Siege 8x32 Monocular includes lens covers, a lanyard, a lens cloth and a protective carrying case.
