**Eartip Maintenance:** Clean eartips by gently wiping them with a clean, damp cloth. Use water only. Do not clean tips with alcohol-based cleaning solutions. Let tips dry completely before next use. To ensure peak performance, we recommend replacing every three months or when they become soiled.

### Available in 4 sizes:

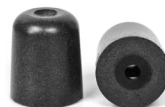

\*Compatible with all ISOtunes earplug headphone models except the ISOtunes Original (IT-00).  
Each replacement pack includes 5 pairs of eartips.
