

ANNOUNCED: Q1 2019

ANTIC

8710

a KERSHAW ORIGINALS design

Use the Antic's oversized ring to attach a keychain or lanyard. Slide your pinkie through it for a karambit-style grip. And while karambit knives are usually aggressive, the Antic lets you enjoy this style in a pocket-friendly format. It also offers a flathead screwdriver (which doubles as a mini prybar), and a bottle opener.
