## DOUBLE SCOPED RIFLE CASE

TRUSTED CASE-GARD PROTECTION, FOR RIFLES AND SHOTGUNS

The newest offering in the MTM Rifle Case lineup is a double version of the Scoped Rifle Case. It is designed to hold two rifles or shotguns up to 50.5 inches long, wide enough for scoped models. The Double Scoped Rifle Case is molded from specially formulated, high-impact plastic. It is designed with four hinges and kept securely latched by four strong snap latches. For added security, four lock points are located next to each latch. Rifles are held secure during transport via a set of quality convoluted foam.

- Designed for two scoped rifles, 50.5" long
- Molded with specially formulated, high-impact plastic
