MISSION CRITICAL EYEWEAR®

Designed as the ultimate protective eyewear, the **Desert Locust Fan Goggle** builds upon Revision Eyewear's unmatched ability to protect soldiers' eyes. The Desert Locust combines the best high-impact protection with a perfect facial and helmet fit, balancing the soldier's need for comfort with well-sealed eye protection. In addition to a virtually silent but powerful fan system, Revision's proprietary OcuMax® coating prevents fogging and scratching to ensure clear vision for the most extreme conditions while the optically correct goggle lens is engineered to maximize field-of-view and provide unprecedented visual clarity.

THE DESERT LOCUST FAN GOGGLE SYSTEM

- | | |
|--------------------------|---|
| • HIGH-IMPACT PROTECTION | One-piece, optical grade polycarbonate lens shields eyes from unexpected fragments |
| • CLEAR VISION | Tri-speed silent exhausting fan provides constant air-flow for superior fog protection in extreme temperatures. High performance OcuMax coating protects against fogging and scratching |
| • FAN SYSTEM | Operates using a single AA battery for easy field replacement; Energy efficient system and weather-resistant battery casing provide exceptional life for mission performance |
| • FIELD-OF-VIEW | Widest field-of-view for enhanced environmental scanning capabilities |
| • LENSES | 100% protection from harmful UV-A, UV-B and UV-C rays. Optically correct lenses can be interchanged quickly for various light conditions |
| • DURABILITY | Superior anti-scratch hard coating; designed for use in extreme climatic conditions. Resists a wide variety of chemicals |
| • COMFORT & FIT | Lightweight and comfortable, the Desert Locust is ideal for both tactical operations and extended-use missions. Pliable frame material and strapping system seals to the face while maximizing facial comfort |
| • COMPATIBILITY | Low profile design ensures compatibility with helmet, binoculars and night vision systems |
| • ADJUSTABILITY | Adjustable strapping system fits over the helmet or directly on head |
| • PRESCRIPTION READY | Optional Rx insert is also compatible with Revision Sawfly® Spectacle and Bullet Ant® Tactical Goggle |
