### ABOUT

The Sightmark 56mm Rifle scope Sunshade delivers effective protection from lens glare, rain, dust and other environmental elements capable of compromising clear sight picture and precision accuracy. This 4" sunshade also works hard to prevent detectable flaring. Built to Sightmark's exacting quality and performance standards, the 56mm Rifle scope Sunshade protects your objective lens with the matte black, hard-anodized, aircraft-grade aluminum strength you have come to expect.
