

Warranty & Returns Policy

Warranty

Unique-ARs provides a lifetime limited warranty on all free float forends and tac rail. We warranty all materials and finishes will be free from defect. We want you to be more than satisfied with your precision parts and our customer service. We will do our best to make your experience dealing with our company a positive one, however we do not cover stripped or abused parts. Give us a call if you have any questions 888.982.8386.

Returns

Stock items may be returned at the shipping expense of the customer. A refund for the cost of the product only, minus a 10% re-stocking fee will be issued if the item shows no signs of wear or installation and can be resold as new. Shipping costs will not be refunded. We do not offer refunds on custom work including custom or upgraded paint options. A partial refund will be given on stock items with custom paint if the item can be resold as new.
