THE DO-IT-ALL MICRO RED DOT.

Handguns. Shotguns. Offset on a carbine. Whether running drills at the range or holding the line during rigorous duty use, the Defender-ST™ is ready when and wherever you are. Rugged and reliable? It's a given. Large sight window? Absolutely. Motion-activation and a dot with adjustable brightness deliver superior target acquisition, adaptability in all lighting conditions, and faster follow-up shots. Experience what shooters mean when they discuss the ideal, all-round red dot. With the Defender-ST™, you're not just range-ready, but armored for the toughness and adaptability your world demands.
