

# GLASSPAK™ PRO

## BINOCULAR HARNESS

### ELEVATOR PITCH

Smartly designed for backcountry adventure, the GlassPak™ Pro is a modular chest-harness system designed for comfort, versatility, and fast-access to all your critical gear.

### WHY DID WE MAKE THIS PRODUCT?

To offer a GlassPak™ designed for the multi-day hunter who needs a well-fitting pack to keep their glass safe and their essentials close at hand.

### HOW DOES THIS GLASSPAK™ COMPARE TO THE OTHER VORTEX® MODELS?

- **Quick, One-Handed Operation** – Keeps your eyes and hands on what matters most.
- **Easy-Adjust Harness** – Delivers a quick, custom fit.
- **Quick-Release Buckles** – For getting hunt-ready in a hurry.
- **DWR Treated Exterior** – Protects your bins from the elements.
- **Quiet MicroFiber Interior** – Eliminates noise and provides extra padding.
- **Modular Attachment Points** – Secures additional pouches and accessories.
- **Laser Rangefinder Case** – Keeps your rangefinder close and protected.
- **Tethered Lens Cloth** – Because you never know when you're gonna need it.

### WHAT ARE THE TOP USES FOR THIS PRODUCT?

Multi-day rifle and archery hunts.

### WHAT SIZE BINOCULARS FIT IN THE GLASSPAK™ PRO?

Small – Fits most 42mm or smaller binoculars.

Large – Fits most 50mm or 56mm binoculars. Fits Razor® UHD 42mm and 50mm binoculars.

### WHERE IS THIS UNIT MADE?

Indonesia.
