- ▶ **2-WAY PAN HEAD**
Provides simple, intuitive controls and full range of motion.

WHAT'S IN THE BOX:

- Quick-Release Plate with 1/4"-20 Thread
- Rubber Packing Strap
- Detachable Counterweight Hook
- Carry Case
- 1.3mm Hex Wrench

FOR WHEN YOU'RE NOT JUST PASSING THROUGH.

Purpose-built to help anyone make the most of their glassing game. Mountain Pass™ strikes a balance of packability, sturdiness, and value. Strong, machined-aluminum design won't struggle under the weight of larger binoculars and spotting scopes.

Durable, telescoping legs adjust independently and lock with a quick flip of a lever. When the view changes quickly, you need a tripod that can keep up. Mountain Pass™ delivers intuitive controls and full range of motion thanks to a two way, pan-and-tilt head that securely holds your optic via an Arca-Swiss compatible quick-release system. All together it's a total tripod package with smooth, steady, and reliable operation that won't let you down.
